Springfield Central School

East Springfield, New York

He has been our class advisor since our freshman year. During these years he has given freely of his time and energy to help us. He has provided us with guidance, encouragement and friendship for four years. It is with our deepest appreciation that we, the class of 1973, dedicate our yearbook, "the 1973 Trojan," to Mr. Clyde Goodrich.

ALICE SMITH

On December 29, 1972, Alice Smith retired as secretary of Springfield Central School after 34 1/2 years in this position. She began in September, 1938 after having graduated from Springfield Central School in June of that year.

She served under ten principals: William Jones, Woodrow Covell, Earl Spooner, Phillip Abbott, Cary Wood, Erle Smith, Richard Ford, Dennis McLean, Robert Purple and finally John Clark, Jr., supervising principal and Charles F. Culbert, high school principal.

Alice has earned the respect and affection of all who have served with her and been served by her.

She was presented an engraved silver tray at a party given by faculty, school board, and friends and a gift from the student body and one from the senior class at their Christmas party.

We all wish Alice a happy retirement after many years of devoted work.

PARTY AT THE BELVIDERE DECEMBER 16, 1972

John Clark, supervising principal, Miss Smith, Dennis McLean and Robert Purple, former principals, and (standing) Charles F. Culbert, high school principal.

MR. CLARK

MR. CULBERT

To the Class of 1973:

Your school days will soon be a memory. In most cases your thoughts will be pleasant ones. You are finally going to realize that you "had it made" while you were in school. The problems you have faced will seem miniscule compared to those that will confront you in the days ahead. College, military service, marriage and work are some or all of the things facing you in the future. You must have some degree of intelligence and maturity to meet these challenges. We attempted to instill these characteristics, among others, while you were in Springfield Central School. With this to build on, we hope you find success in the future.

Congratulations and good luck to each of you.

Sincerely,

Charles L. Culbert

IN APPRECIATION

As we come to the end of our senior year, we realize that our accomplishments during these thirteen years were only possible with the help and support of our parents, teachers and friends who have donated time, energy and money for our many projects.

We also wish to thank all the people on the following pages who bought Ads in our year-book and thereby made its printing possible.

To each of you, "Thank you from the Class of 1973".

Dear Friends:

This year it is my privilege as Editor-in-Chief of the 1973 "Trojan" of the Springfield Central School to tell you about the fabulous Department Store in our area.

The Department Store that I am referring to is in Oneonta and is entitled "BRESEE'S."

The best reason for shopping here is their wide variety of merchandise. Their store stocks only the best, brand-named goods.

Here at BRESEE'S you will find all of the latest fashions in clothing and if you are a home sewer, a wide variety of cloth and notions are available.

Every member of the family will be completely satisfied with whatever he may choose.

The atmosphere is very peaceful and congenial whether you are shopping or simply meeting a friend for lunch in the Health Bar downstairs. When you combine all of these factors, you can see that BRESEE'S is the most delightful place to shop.

The next time you are in Oneonta, stop in and shop at BRESEE'S DEPARTMENT STORE, 165 Main Street.

Sincerely yours,

Elizabeth A. Domion
